

# DIGITUS Cabo adaptador DisplayPort, DP para DVI-D

**DB-340301-030-S**  
**EAN 4016032292241**

**DisplayPort Adapter Cable, Type DP-DVI (24+1) M/M, 3.0m, w/interlock, Full HD, DP 1.1a, bl**

Este cabo HD converte sinais digitais DisplayPort em sinais DVI. É ideal para ligar dispositivos com interface DisplayPort a um televisor, beamer ou monitor compatível com HD com uma interface DVI. As superfícies de contacto douradas e a dupla blindagem garantem uma transmissão de dados sem perdas.

**Resolução Full HD até 1080p**

- Digital Full HD, Ligação Dupla
- AWG: 30
- Color cable: black
- Connector 1: DP, plug

- Connector 2: DVI-D, (24+1), plug
- Connector surface: gold-plated
- DisplayPort standard: DisplayPort 1.1a
- Ferrite filter: none
- HDTV Standard: Full HD
- Hoods: molded
- Interlock: Snap fastener
- Length: 3 m
- AOC - Active Optical Cable: no
- Shielding: Double shielding

**Package contents**

- 1 x cabo adaptador DisplayPort, DP para DVI-D

**Safety notes**

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.

**EU responsible person**

EU based economic operator ensuring the product complies with the required regulations.
