

DIGITUS SATA connection cable

AK-400104-005-R
EAN 4016032299530

SATA connection cable, L-type F/F, 0.5m, 90° l-angled - straight, SATAII/III, re

This internal data cable used to connect Serial-ATA Hard Drives as well as CD-/DVD/Blue-Ray Recorder to the Mainboard, for example. Because of the 90 ° left angled connector, the cable runs upward from the horizontally built-in hard drive. It's also downward compatible to SATA rev. II/I

Less thermic jam in the PC

- Compatible with Serial ATA standards
- Data transfer rate up to 300MB/s
- 7-wired cable, UL21149
- 4 x Data wires, 3 x earthing wires
- Male connector 90° angled

Attributes

- Assortment: SATA Cables
- Color cable: red
- Color connector: black
- Connector 1: SATA (7pin) connector, 90° angled, L-type
- Connector 2: SATA (7pin) connector, L-type
- Data rate: 6 Gbit/s
- Hoods: molded
- Interlock: none
- Style: Flat cable
- Version: SATA Revision 3
- Length: 0.5 m

Safety notes

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.
