

# DIGITUS Conector SATA

**AK-400100-005-R**  
**EAN 4016032299936**

**SATA connection cable, L-type F/F, 0.5m, straight, SATA II/III, re**

Este cabo de dados interno é usado para ligar Discos Rígidos ATA-Serial, bem como Gravadores CD-/DVD/Blue-Ray por exemplo à Placa principal. É também compatível com SATA inferior a rev. II/I

**Aquecimento reduzido no PC**

- 4 x linha de dados, 3 x cabo de massa
- Permite uma ligação segura entre o disco rígido e a placa principal
- Cabo com 7 fios, UL21149
- 4 x linha de dados, 3 x cabo de massa
- Permite uma ligação segura entre o disco rígido e a placa principal

**Attributes**

- Assortment: SATA Cables
- Color cable: red
- Color connector: black
- Connector 1: SATA (7pin) connector, L-type
- Connector 2: SATA (7pin) connector, L-type
- Data rate: 6 Gbit/s
- Hoods: molded
- Interlock: none
- Style: Flat cable
- Version: SATA Revision 3
- Length: 0.5 m

**Safety notes**

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.

**EU responsible person**

EU based economic operator ensuring the product complies with the required regulations.
