

# DIGITUS Internal power supply cable for CPU cooler

AK-430302-002-M  
EAN 4016032325185

## Internal power supply cable 0.30m, IDE - IDE + 3pin cooler connector

Adaptor for connecting CPU fans with 3-pin connectors directly with a ATX/AT power supply. Particularly suitable for PCs with AT mainboards that have no direct connector for a CPU fan.

### Safe connection and power supply

- 3-pin CPU fan, plug <=> 1 x 5.25", plug and 1 x 5.25", jack

### Attributes

- Assortment: Internal Power Supply Cables
- AWG: 22
- Color cable: various
- Color connector: transparent
- Connector 1: IDE (5,25") power plug
- Connector 2: IDE (5,25") power jack + 3-pin cooler plug
- Hoods: plastic
- Wire material: CU
- Length: 0.3 m
- Shielding: Unshielded

## Safety notes

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.

## EU responsible person

EU based economic operator ensuring the product complies with the required regulations.
