

DIGITUS USB адаптер, Type-C к A

AK-300506-000-S
EAN 4016032370802

USB Type-C adapter, type C to A M/F, 3A, 5GB, 3.0 Version, bl

Компактный адаптер для соединения устройств с интерфейсом USB Type-C (напр. смартфон, ноутбук или планшет) с сетевым адаптером, ПК или хабом с использованием соединительного кабеля USB 2.0/3.0 A к A. Скорость передачи данных вплоть до 5 Гб/с (Super Speed).

Штекер Type-C, используется двусторонне

- Высокоскоростная передача данных до 5 Гбит/с - в 10 раз быстрее, чем USB 2.0
- Поддерживает электропитание до 3 А
- Поддерживает спецификацию USB PD (подача мощности).
- Штекер Type-C, используется двусторонне

- Обратная совместимость с USB 2.0 и 1.1

Attributes

- Assortment: USB Cables
- Color connector: black
- Connector 1: USB C, plug
- Connector 2: USB A, jack
- Connector surface: nickel-plated
- Hoods: molded
- USB compliance: USB Type-C™
- Shielding: Unshielded
- USB-C Products: yes

Safety notes

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.
