Safety notes

- Please read the entire manual before starting assembly and installation. Please contact your local dealer if you have any questions about the instructions or warnings.
- CAUTION: Use with products that exceed the permitted weight may result in damage or possible injury.
- Brackets should be fitted in accordance with the installation instructions. Incorrect installation can result in damage or injury.
- Use safety equipment and suitable tools. The product should only be installed by specialists.
- This product can be installed on timber-framed, solid concrete or stone walls.
- The load-bearing surfaces should be able to safely withstand the entire weight of appliances and all additional components.
- Only use the installation screws supplied and DO NOT TIGHTEN the screws TOO TIGHT.
- This product contains small parts that can cause a choking hazard if swallowed. Keep these parts away from children.
- Only use this product indoors. Using the product outdoors can lead to injuries and damage.
- IMPORTANT: Before installation, please check all components received against the components list. If parts are damaged or missing, ask your local dealer for replacement parts.
- MAINTENANCE: Check the bracket regularly for safety and stability (preferably every three months).
