

DIGITUS USB-A 3.2 Gen 1 to VGA Graphic Adapter

DA-70840
EAN 4016032390725

USB 3.0 to VGA Adapter, 1080p Input USB, Output VGA

The USB-A 3.2 Gen 1 to VGA adapter offers Full HD video resolution up to 1080p and supports dual display to extend or mirror your screen. Thanks to USB plug-and-play, no complex installation is required and monitors can be added or removed without rebooting the system. The integrated driver ensures quick setup. In addition, the adapter supports up to two simultaneously usable graphics adapters on one PC and automatically resumes work from sleep or standby mode. Ideal for simple and flexible expansion of display options

Extend your audio and video signal to an external monitor, TV or projector via your USB-A interface
