

# DIGITUS Cabo de instalação par entrançado DIGITUS CAT 5e SF/UTP

DK-1531-P-305-1  
EAN 4016032425922

**CAT 5e SF-UTP patch cable, raw 305 m, paper box, AWG 26/7, PVC, simplex, grey**

Adequado para instalações de linhas de cabo classe D, 100MHz

**Melhor desempenho e melhor qualidade de ligação com a rede.**

- Isolamento: HD-PE
- Isolamento: PE
- Número total de condutores isolados: 8, entrançados em 4 pares
- Código de cor: azul-branco, laranja-branco, verde-branco, castanho-branco
- Revestimento geral: nenhum
- Amplitude de temperaturas de funcionamento: -10°C até +60 °C

- Cor: Cinzento (RAL 7035)

**Attributes**

- Assortment: Twisted Pair Patch Cables
- Category: CAT 5e
- Shielding: SF-UTP, foil and braid shielding
- Length: 305 m
- Color: grey
- Jacket: PVC
- Slim Version: no
- Structure: 4 x 2 AWG 26/7, twisted pair
- Flat Version: no

**Safety notes**

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.

**EU responsible person**

EU based economic operator ensuring the product complies with the required regulations.
