

DIGITUS PCI Express Card, Firewire 1394a (3+1 ports)

DS-30201-5
EAN 4016032442592

IEEE 1394a Interface Card, PCIexpress, 4 Port 1x ext. 1394mini, 2x ext./1x int. 1394a Ports

With this IEEE 1394a / Firewire express card you can easily extend your PC system by four additional IEEE 1394 ports. Thus, it supports data transfer rates of 100/200/400 Mbps and can be easily installed in any available PCI express slot with different lane width, thanks to the integrated Hot Swap- and Plug&Play-function.

Equip your PC with four additional IEEE 1394-ports!

- Two external 1394a, one external 1394mini port + additional internal 1394a port incl. 4-pin power supply
- Installs in any available PCI-Express slot with different lane width

- Supports hot-swapping and Plug & play connections
- Data transfer rate 100Mbps / 200Mbps / 400Mbps
- Operating temperature: 0 °C - 70 °C
- Operating humidity: 25% - 65% RH (non-condensing)
- Supports Windows 10, 8, 7, Vista and XP

Package contents

- 1 x PCI Express Card, Firewire 1394a (3 + 1 ports)
- 1 x Firewire 400 connection cable, 4pin/M - 6pin/M, 0.7m
- 1 x Low profile bracket
- Manual

**Safety notes**

- Switch off the computer completely and disconnect it from the power supply before installing or removing the network card.
- Static discharge can damage the product or the PC. Take measures against static discharge (ESD) when installing the product, e.g. wear an antistatic wrist strap.
- Before installation, touch the metal surface of the PC housing or another grounded object to ground any ESD charge via the housing.
- Avoid using too much force when connecting the product to the PC.
- Please ensure that any cables are connected correctly without overstretching or damaging them.
- Avoid touching the contacts of the product with your fingers to prevent corrosion or static charge.
