

DIGITUS Socket with USB A & USB-C™ Ports, flush mounted

DA-70618
EAN 4016032459842

Wall Outlet, 2x USB 1x USB Type C 5V 3.1A, Input: AC250V 50HZ, RAL 9003

Charge smartphones and tablets directly from the wall socket! With the DIGITUS® USB charging box you can even charge 3 smartphones or tablets at the same time. Charge one USB-C™ device with up to 14 W (5 V / 2.8 A) and two USB A devices with up to 14 W (5 V / 2.8 A). For example you can charge your smartphone and your tablet simultaneously with a total available charging capacity of 15.5 W. Protect yourself and your family with the integrated electronic short circuit and overload protection in the USB ports. Upgrade your existing electrical installations and enjoy being able to charge your USB devices at any time, directly from the wall socket.

Socket with 2 x integrated USB A connections & 1 x USB Type-C™ for charging of smartphones/tablets
