

DIGITUS USB-C™ Mini Charging Adapter, 20W

DA-10060
EAN 4016032482703

USB-C Mini Charging Adapter, 20W 20W, PD 3.0, white

The DIGITUS® MINI Charging Adapter is suitable for USB-C™ devices such as smartphones, tablets or notebooks and provides an output of up to 20W. The LED display provides information about the current charging status. Thanks to the super compact dimensions, the USB-C™ charger fits into any bag, making this charging adapter an ideal companion for everyday use. The integrated short circuit, surge and excess current protection provides added security. Furthermore, the integrated excess heat protection prevents potential overloads and damages to the charger or connected devices.

Mini-USB charger with an output of up to 20W for USB-C™ devices of all kinds with numerous safety features
