DS-72220-1CH
EAN 4016032483243

Modularized HD LCD TFT console, CH Keyboard with 1 port KVM, CH keyboard, RAL 9005 black

The Digitus HD LCD KVM console - with a 17" TFT monitor with anti-reflective and shatterproof protective glass pane. The console can be completely removed from the server cabinet and the TFT screen can be inclined by up to 120 degrees. This console supports various cabinets with a depth from 800 mm to 1200 mm and is delivered along with all KVM cables. With Full HD resolution of 1080P and LED display for the connection status, this console also has a peripheral USB port in the console area. This console allows you to enjoy up to 85% more space and a contrast rate of 1000:1 as well as support for 16.7 million colors. The package includes a 1-port VGA adapter, a keyboard and a touchpad mouse with two function buttons. Thanks to its modular and expandable design, this console also allows for cascading.
