

# DIGITUS LC/APC Fiber Optic Fast connector (10 Pieces)

DN-FC-9101-APC  
EAN 4016032494638

### Fiber Optic Fast Connector, SM LC/APC 10 piece pack

The LC/APC fast connectors are used to close optical cables and fast cross-connection, cable repair, various switching nodes in FTTH networks to form a continuous optical patch. They completely eliminate the need for hand polishing in the field. The mechanical splice technology ensures precise fiber alignment and offers an immediate low loss termination for single-mode optical fibers. The attenuation obtained does not exceed 0.3 dB. The connectors can be used in all optical networks where UPC type connector is required. It is suitable for optical cabling in primary/secondary/tertiary cabling and for use in FTTH networks.

**Fast connectors are designed to enable quick and easy termination of fibers in the field. For uncomplicated fast repair of existing installations as well as for new installations, e.g. for FttX in-house cabling.**

- Connector Type : LC
- Polishing : APC
- Fiber Mode : 9/125µm Singlemode
- Ferrule : Ceramic (1,25mm)
- Insertion Loss ≤0.2dB
- Return Loss ≥50dB
- Cable Diameters : 0.9/2.0/3.0mm
- Product colour : Green
- Storage Temperature : -40 to 85°C
- Operating Temperature : -20 to 75°C
- Dimension : 50mm long

### Package contents

- 10 x LC/APC Fiber Optic Connector

Logistics						
	Number (pcs)	Weight (kg)	Depth (cm)	Width (cm)	Height (cm)	cm <sup>3</sup>
Packaging Unit Carton	100	4.20	28.00	32.50	43.00	39,130.00
