

V-TAC LED Tubelight 20W Kaltweiß

LED-T8-1500MM-K-SA-1
EAN 3800157664738

The LED tubes lights are particularly suitable for achieving the most uniform and intensive lighting with as few lights as possible. Bar lights can usually be scaled very easily to illuminate large environments such as workshops. With the help of the included "dummy-starter", you can easily convert existing bar lights to the LED lamps.

- Lightbeam : 160°
- Luminous flux: 1850lm
