

V-TAC LED light tube 7.5W natural white SKU21686, 850lm, PVC, 160°

LED-T8-600MM-N-SA-1
EAN 3800157664752

The LED tubes lights are particularly suitable for achieving the most uniform and intensive lighting with as few lights as possible. Bar lights can usually be scaled very easily to illuminate large environments such as workshops. With the help of the included "dummy-starter" , you can easily convert existing bar lights to the LED lamps.
