

V-TAC LED light tube 22W cold white SKU 216310, 2000lm, 6400K, PVC

LED-T8-1500MM-K-2-1
EAN 3800157687263

The LED tubes lights are particularly suitable for achieving the most uniform and intensive lighting with as few lights as possible. Bar lights can usually be scaled very easily to illuminate large environments such as workshops. With the help of the included "dummy-starter" , you can easily convert existing bar lights to the LED lamps.
