# **DIGITUS Aluminum Smartphone Stand**

DA-90418 EAN 4016032475064

#### Aluminum Smartphone Stand foldable, up to 6,5", silver

The stylish smartphone stand from DIGITUS® combines a modern look with a flexible yet stable aluminum frame structure. The stand is suitable for smartphones with a display diagonal of up to 6.5" and the wide viewing angle can be optimally adjusted to the viewer's position to prevent neck or shoulder pain. No slipping – the anti-slip pads beneath the stand ensure a secure hold even on smooth surfaces. The connection cable can also be guided through the rear frame opening in an orderly fashion to keep annoying cables out of the way.

### Safety notes

- Use charging adapters or power supply units in accordance with the instructions in the operating instructions to ensure optimum performance.
- Connect the charging adapter to an easily accessible socket in the voltage range between 100-240 V AC.
- Disconnect the charging adapter from the socket after use.
- Do not use the charging adapter with electronic devices that are outside the specifications of the charging adapter.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
