

DIGITUS Wireless HDMI Extender Set, 50 m

DS-55318
EAN 4016032478744

Wireless HDMI Extender Set, 50 m Dongle, 1 to 1, Full HD

With the Wireless HDMI Extender Set, you can wirelessly transmit HDMI video and audio signals in Full HD over a distance of up to 50 m with an unobstructed view. Operation and installation are super simple. Real Plug & Play - Just plug in and get started. The transmitter and receiver can be supplied with power via your device's HDMI connection (0.5A required), or alternatively (additionally) with the enclosed Micro USB cable via the USB connection of your notebook, PC, etc. Thanks to the compact design of the transmitter and receiver, installation is easy, quick and can be customized - the perfect solution for meeting and conference rooms. But it can also be used in private applications for spontaneous or temporary installations.

Wirelessly transmits HDMI video and audio signals in Full HD over a distance of up to 50 m with an unobstructed view
