

DIGITUS CAT 6A U-FTP patch cord, Cu, PVC AWG 30/7, length 5 m, color Grey

DK-1644-A-050F
EAN 4016032348443

CAT 6A U-FTP flat patch cable, PVC, Cu AWG 30, Length 5m, color grey

The DIGITUS® Category 6A Class EA patch cords are manufactured and tested to the ISO/IEC 11801 and DIN EN 50173 Category 6 A specifications. They will guarantee the installed cabling system is compliant with the ISO & EN channel specification requirements and will provide optimum performance levels of DIGITUS® Category 6A cabling. The performance is tested up to 500 MHz inclusive performance characteristics such as near end cross talk ("NEXT"). DIGITUS® patch cords are designed and produced to fulfill the highest requirements of various application areas in full volume. Each cable is fitted with a molded boot which comes with kink protection and strain relief. Furthermore the boot is equipped with a latch protection that prevents the latching lever against breaking. You can easily identify the Category 6A, because of the transparent yellow colored connector.

Câble réseau extra plat à profilé bas - idéal pour être caché sous les tapis ou derrière les plinthes

- Longueur sur l'embout
- Embout scellé avec résistance à la traction
