DK-1644-A-005F/R
EAN 4016032373926

CAT 6A U-FTP flat patch cable, Cu, PVC AWG 30, length 0.5 m, color red

The DIGITUS® Category 6A Class EA patch cords are manufactured and tested to the ISO/IEC 11801 and DIN EN 50173 Category 6 A specifications. They will guarantee the installed cabling system is compliant with the ISO & EN channel specification requirements and will provide optimum performance levels of DIGITUS® Category 6A cabling. The performance is tested up to 500 MHz inclusive performance characteristics such as near end cross talk ("NEXT"). DIGITUS® patch cords are designed and produced to fulfill the highest requirements of various application areas in full volume. Each cable is fitted with a molded boot which comes with kink protection and strain relief. Furthermore the boot is equipped with a latch protection that prevents the latching lever against breaking. You can easily identify the Category 6A, because of the transparent yellow colored connector.

Cavo di rete ultrasottile a basso profilo - Ideale per un'installazione invisibile sotto i tappeti o dietro il battiscopa

- Lunghezza minima di avvio
