

DIGITUS Universal Single Monitor Mount with gas spring and clamp mount

DA-90351

EAN 4016032383147

Monitor Table Mount up to 32" flexible gas spring mount, 8kg max, VESA 100x100

Attach a monitor between 15" - 32" to your desk easily with the desktop monitor bracket and a clamp fixture. Easily set up the monitors according to your needs and swivel, tilt or turn them, for example, when it comes to portrait-format monitors. The integrated pneumatic spring makes it easy to set your monitor to the right height. Do something good for yourself and your health by adjusting your monitor to the optimal position for your body and seat. Additionally, the monitor cables can be neatly stowed in the cable routings provided.

Monitors of 15" - 32" can be individually fixed with the desktop bracket. The monitor can be swiveled, tilted or turned. The integrated pneumatic spring makes it easy to set the height. A clamp fixture and quick release make installation quick and easy.
