

DIGITUS SOHO PRO wall-mounted enclosure - 254 mm (10") - 315x300 mm (WxD)

DN-49104
EAN 4016032493662

10" 12U wall mounting cabinet, SOHO PRO 595 x 315 x 300 mm, grey

Whether in the home, office or in sub-distribution boards with limited space: With the compact 254 mm (10") solutions from the SOHO PRO series, you can install your network wherever you want. Available in three height units (6U, 9U, 12U), the wall-mounted enclosures are equipped with a full glass door and a cable entry in the roof and base. A pair of galvanized 254 mm (10") profile rails labelled with legible height units are installed inside. These can be adjusted in depth. Each cabinet is a robust steel construction made of up to 1.5 mm thick sheet steel. The coloring takes the form of electrostatic powder coating in the standard colors grey (RAL 7035) and black (RAL 9005). The door hinges can be changed. The network enclosures are supplied unassembled in an optimized flat pack. Assembly takes place in just a few steps and is child's play thanks to the enclosed step-by-step instructions.

The DIGITUS® wall-mounted enclosure SOHO PRO series is characterized by its efficient delivery in an optimized flat pack and particularly user-friendly installation.
