

# DIGITUS Universal USB Plug-in Charger with 2 x USB-A Sockets and Integrated Socket

DA-70617  
EAN 4016032458913

**Power Adapter with 2 USB Ports 250V, 50 Hz, USB: 5V, 2.1A, white/grey**

Charge your mobile devices such as a smartphone or tablet conveniently using any socket. The integrated earthed socket allows further use of your existing socket. In addition, you can use two USB-A charging sockets at the same time. Small dimensions also make the plug-in charger the perfect companion when travelling. Protect yourself and your family from electric shocks with the integrated shutters and the resulting increased protection against accidental contact of the protective contact sockets. In addition, the socket provides short-circuit protection and overload protection, thus preventing damage to your connected mobile devices and household appliances. Plug-and-play - plug in and get started.

**Charge 2 mobile devices at the same time without loss of the earthed socket**
