

DIGITUS Charging Trolley for Notebooks / Tablets up to 14 inch

DN-45003
EAN 4016032482345

Charging trolley, 14", USB-A, electronic PIN lock 16 charge bases, fan, 384 x 550 x 375 mm

The mobile charging cabinet from DIGITUS® is the ideal and compact solution for storing and charging your portable devices such as notebooks and tablets. Mobile charging cabinets are frequently used in public facilities such as schools in order to store devices securely at a central location while charging them at the same time. The cabinet includes 16 charging stations, all of which have their own USB connection on the front. An installed ventilators (24 V) combined with ventilation slits ensures active cooling of the cabinet.

The ideal solution for storing and charging your portable devices.
