

DIGITUS Workstation for Wall Mounting with Integrated Monitor Bracket

DN-39011
EAN 4016032460909

Wall mounting workstation cabinet w. screen holder 2 compartments, 651x670x350 mm

The wall mounting workstation from DIGITUS® was primarily designed for space-saving usage in, for example, office environments, warehouses, hospitals, laboratories, hotels or conference rooms. It is divided into two parts. The upper section with glass door is arranged for attachment of a monitor using the adjustable bracket. The casing also has space to store your computer/server. The second section, with a removable shelf, is suitable for storage and everyday use of a mouse and keyboard. The underside has cable entries as well as a pre-cut hole for fan installation.

Space-saving workstation, with two separate areas for components

- Upper compartment with adjustable monitor bracket (complies with VESA standard) and space for storage of PC or similar
- Lower section with pull-out shelf for keyboard and mouse

- Inner dimensions of the upper section for storage: 415 x 620 x 270 mm
- Fan installation possible on the underside
- Ventilation slits to release hot air
- Load capacity: 100 kg
- Color: gray (RAL 7035)
- Color: light grey, RAL 7035
- Front door: Glass door, single opening
- Load capacity: 100 kg
- Side panels: Both sides
- Width: 670 mm
