DIGITUS®

DIGITUS CAT 8.1 S/FTP patch cable, 10 pieces

DK-1844-020-10
EAN 4016032471653

CAT 8.1 S-FTP patch cord, Cu, LSZH AWG 24/7, length 2 m, 10 pieces, color grey

DIGITUS® Category 8.1 Class I patch cables are manufactured and tested according to the ISO/IEC 11801 and DIN EN 50173 CAT 8.1 standards. They guarantee that the cable installation complies with the ISO & EN channel specification and provide excellent performance in DIGITUS® CAT 8.1 cabling. Performance was tested up to 2,000 MHz, including performance characteristics such as near-end crosstalk ("NEXT"). DIGITUS® patch cables were specifically designed to fully meet all requirements in various application areas. Each cable is equipped with a moulded anti-kink sleeve with strain relief. In addition, the sleeve has a locking lever protection, which prevents kinking of the cables and breaking-off of the locking lever from the connector. Category 8.1 is simply identified by the green coloured connectors.

High-end network solution according to the CAT 8.1 standard

- 2x RJ45 connectors (8P8C)
- Covers with kink protection, strain relief and locking lever protection
- Length indication on hoods
- Inner conductors: Copper (Cu)
- Anti-kink sleeve: moulded
- Connector 1 type: RJ45 8(8)
- Connector 2 type: RJ45 8(8)
- Flame retardant version: yes
- Anti-kink sleeve colour: Grey
- Locking lever protection: yes
- NVP value: 76
- Oil resistant to EN 60811-404: no
- 10 pieces
- Slim Version: no
